

Payment methods for fees 2021

Whichever method you use it is important, for identification purposes, that you provide as the **REFERENCE** your 4 digit membership number followed by the first two letters of your surname. For example the **REFERENCE** for member number 2561, J.Smith would be **2561 SM**.

As there is only one membership category for 2021 a separate payment is required for each member if using Methods 1 or 2.

If any member wishes to make a **DONATION**, add the amount to the Membership fee of \$30 and make this the total amount of your payment.
